Re: Order to Provide May 4, 2023 Hearing Transcript
Yuri Garmashov v. United States Parachute Association /21-cv-04917

Judge Wang:

The purpose of this correspondence is to confirm that I am in receipt of your April 30, 2024 Order whereby I was to provide the Court with the unredacted hearing transcript from our May 4, 2023 hearing. Unfortunately, despite multiple order requests (all with 1 day return requests), I have yet to receive the requested transcript. I certify that I have made the requests on May 1, 2, and 3rd of this week.

I request that I be given additional time in order to fulfil and comply with your Order. I am in regular contact with the NYSD ECF Pool and as soon as the transcript is provided, I will file it into the case record.

Thank you for your consideration.

Sincerely,

Alex B. Kaufman
